Their pieces are elegant and distinctive and will make a stunning addition to your jewellery collection. Find online at bisoulovely.com and follow @bisoulovely on IG.

56. One of a kind, prehistoric Megalodon shark tooth fossil set in 14 karat gold with peridot gems on top. Shark teeth symbolise strength, empowerment and protection. Based in Charleston SC, **PEACHY KEEN** offers handcrafted crystal and fossil jewelry with uplifting healing properties. Visit @peachykeencreations on IG or peachykeencreations.com to browse their colourful jewels.

57. RACHEL SAIDANI invites you to wear your fortune on you with this 22kt gold ring of 24.5g featuring a gorgeous engraving and set with a tanzanite. This unique piece is part of a collection of jewellery created by RS and handmade by Indian master goldsmiths. Discover the collection dedicated to men and women at rachelsaidani.com and on IG @rachelsaidani

58. SOULSTICE is an ethically sourced crystal brand, bringing you beautiful, energy healing crystals for every part of your life. Embracing the rough, raw crystal, Soulstice uses the natural form of these wonder stones. Perfect travelling companions being unique, beautiful and full of healing energy. Follow on IG @soulsticelondon and shop at soulsticelondon.com

59. RHINO TEARS handcrafts beautiful Tear shaped jewellery inspired by a rhino named Thandi, a miraculous survivor of a poaching attack. Showcased here is the elegant Tear pendant cast in 9ct yellow gold and hallmarked in Thandi's honour. 100% of profits raised help save and protect the African rhino. Visit rhinotears.org and follow on IG @rhinotears

60. STEVEN DE JAEGER designs and crafts unique pieces of jewellery in his Antwerp based atelier. Jewellery that doesn't have to be worn on every occasion and is a statement. Jewellery that is simple, clean, to the point and timeless by design and use of material. Visit stevendejaeger.be and @atelierstevendejaeger on IG.

61. Stunning, modern, and timeless with a twist, **CONCEPT26** is about more than having a little sparkle - it's about leaving a mark. The perfect mix of elegance meets effortless NYC cool, their jewellery blends seamlessly across occasions and generations. Sourcing ethically, recycled gold, conflict-free diamonds, and the highest quality gemstones, their jewellery is created sustainably and with intention - from their raw materials to the moment a Concept26 box is opened. Visit concept26.co and follow @concept26.co on IG.

62. The designer and owner of **AGAPIS JEWELLERY**, Agapi Smpokou perceives jewellery as a micro scale piece of art, which is wearable on every occasion and is ready to state in different environments. Unique pieces of jewellery, 100% handmade of sterling silver 925, inspired by the microcosm of nature and the flawless elements in it. Visit as-jewellery.gr or IG @agapis_jewellery

63. LATITUDE JEWELRY create stunning jewellery inspired by travel and culture. Featured here is the beautiful World Pendant crafted in 18k gold, perfect for lovers of adventure who want the world close to their hearts. Visit latitudejewelry.com to shop their collection and follow on IG @latitudejewelry

64. SERAGLIO DESIGNS creates exquisite beaded gemstone jewellery inspired by the souqs and bazaars of the Middle East and mid-20th Century design. Timelessly elegant, clean-lined and contemporary, each piece of Seraglio Designs jewellery is entirely unique. Follow @seragliodesigns on IG and use code CNT20 on etsy.com/au/shop/SeraglioDesigns for 20% off (expires 31/01/21).

65. E. ANDERSEN FINE JEWELLERY presents beautiful, handcrafted, affordable fine jewellery with the ability to mix and match for any occasion. Their designs provide a unique range made with stunning freshwater pearls and gemstones. Designed and crafted by founder Emma Andersen - originally from Denmark, based in London. Contact for bespoke pieces. Visit eandersenjewellery.com to find out more and follow @e.andersen.jewellery on IG.

66. BAHINA JEWELS present a carefully curated collection of fine jewellery. The brand encapsulates the life-long dreams of founders Annick Jordi and Noëlle Vieillard-Jordi, with the name, bahina, stemming from the Hindi for 'two sisters'. From designing the jewellery to sourcing the most exquisite and colourful stones in Jaipur and setting them into 18K-gold, bahina truly stands for luxury. Find out more at bahina.com and follow @bahinajewels

67. SAMANTHA SIU introduces 'A Love Affair', the debut necklace collection inspired by places she travelled with her first love. Each stunning necklace is a unique homage to travel, forbidden love and beauty, designed to emulate a lasting memory and experience. Committed to being socially and ethically responsible, 10% of profits from each necklace are donated to provide aid to meaningful global projects. Discover the collection at samanthasiu.com and follow on IG @samanthasiunewyork

68. TRAVELING BLONDE JEWELLERY is inspired by travels and a spiritual connection with nature. Inspire peace and tranquility in the world with this Peace sign pendant. Strong and evocative, your jewellery will assume the attitude and personality of its wearer. Discover more at travelingblondejewellery.com and follow on IG @travelingblondejewellery

69. MALAYO handcrafts beautiful wooden jewellery using wood sourced from sustainably managed plantations in The Philippines, where deforestation has been reversed. Coloured using dyes without hazardous waste, the jewellery is made by a family run company meeting international standards for employee welfare and liveable wages. Visit malayofashion.com

70. SAOTI is a luxury jewellery brand designed and handcrafted in Los Angeles, CA. Each of their high quality, sterling silver pieces has a unique story. To learn more visit saotijewelry.com and use code Conde15 for 15% off your entire order (expires 01/10/20). Follow on IG @saotijewelry
